## Media Advisory

To: Editors & Health Journalists  
Issued by: Department of Health  
Date: July 08, 2016

### Mobile technology enabling the delivery of quality health care

In a move aimed at transforming the delivery of quality primary healthcare in South Africa, the Department of Health in partnership with Vodacom will launch a mobile application called **Stock Visibility Solution** to track the availability of medicines in the public health facilities. This system will help prevent the occurrence of medicine stock-outs that occur at some public health facilities.

There will be live demonstration of the mobile application during the launch.

Keynote speakers: Health Minister Dr. Aaron Motsoaledi  
Vodacom Business: Chief Executive Mr Vuyani Jarana

The Media is invited to the press conference as follows:

**Date** : Thursday 14<sup>th</sup> July 2016

**Time** : 10h00-12h00

**Venue:** Talk 200 Auditorium, Vodaworld, 082 Vodacom Boulevard, Voda Valley,  
Midrand.

**RSVP before Tuesday 12<sup>th</sup> July to Howard Kgoa at 0763740314/ [KgoaH@health.gov.za](mailto:KgoaH@health.gov.za)**
