WHY WILL MOTHERS DO ANYTHING FOR THEIR CHILDREN LIKE GETTING UP EVERY DAY AT 3AM TO GET TO WORK TO PAY FOR SCHOOL FEES EXCEPT BREASTFEED THEM?

Give your child the best start in life by feeding only breastmilk for the first 6 months. Less than 10% of SA women exclusively breastfeed their children for the first six months of their life. Support more moms and take the pledge #breastfeed2day.

What’s six months versus the rest of their lives.
