

### **Rules: Medical Scheme patients**

- 1. The treating hospital is not compelled to provide Inpatients and Outpatients with chemotherapy drugs, supportive care drugs, solubles and administration sets.**
- 2. Medical schemes will be requested to appoint a designated Chronic Medicine Dispenser (CMD) such as Optipharm, Clinix, CMD or QuestMed to supply the prescribed drugs to the hospital.**
- 3. State hospitals shall only provide treatments as per State Hospital Protocols equivalent to Tier 1 of South African Oncology Consortium (SAOC).**
- 4. All drugs shall be according to the Base Line Prescribed Minimum Benefit (PMB) formulary.**
- 5. Where a patient is treated by a private practitioner, the private practitioner will bill the Medical Scheme directly while the Facility Fee will be charged by the relevant hospital.**
- 6. Prescription Drugs: Code 0818 – these Items may vary in price.**
