SPECIAL CONDITIONS OF CONTRACT

1. BACKGROUND

This bid and all contracts emanating therefrom will be subject to the General Conditions of Contract issued in accordance with Treasury Regulation 16A published in terms of the Public Finance Management Act, 1999 (Act 1 of 1999). The Special Conditions of Contract are supplementary to that of the General Conditions of Contract. Where, however, the Special Conditions of Contract are in conflict with the General Conditions of Contract, the Special Conditions of Contract will prevail.

2. EVALUATION CRITERIA

2.1. PREFERENCE POINTS SYSTEM

- a. In terms of regulation 6 of the Preferential Procurement Regulations pertaining to the Preferential Procurement Policy Framework Act, 2000 (Act 5 of 2000), responsive bids will be adjudicated by the Department of Health on the 90/10- preference point system in terms of which points are awarded to bidders on the basis of:
 - The bid price (maximum 90 points)
 - B-BBEE status level of contributor (maximum 10 points)
- b. The following formula will be used to calculate the points for price:

$$P_s = 90 \left(1 - \frac{P_t - P_{\min}}{P_{\min}} \right)$$

Where

P_s = Points scored for comparative price of bid under consideration

P_t = Comparative price of bid under consideration

P_{\min} = Comparative price of lowest acceptable bid

A maximum of 10 points may be allocated to a bidder for attaining their B-BBEE status level of contributor in accordance with the table below:

B-BBEE Status	
Level of Contributor	Number of Points
1	10
2	9
3	8
4	5
5	4
6	3
7	2
8	1
Non-compliant contributor	0

- c. Bidders are required to complete the preference claim form (SBD 6.1) in order to claim the B-BBEE status level points.
- d. The points scored by a bidder in respect of the level of B-BBEE contribution will be added to the points scored for price.
- e. Only bidders who have completed and signed the declaration parts of the bid documentation may be considered.
- f. The Department of Health may, before a bid is adjudicated or at any time, require a bidder to substantiate claims it has made with regard to preference.
- g. The points scored will be rounded off to the nearest 2 decimals.
- h. In the event that two or more bids have scored equal total points, the contract will be awarded to the bidder scoring the highest number of points for B-BBEE.
- i. Should two or more bids be equal in all respects, the award shall be decided by the drawing of lots.
- j. A contract may, on reasonable and justifiable grounds, be awarded to a bid that did not score the highest number of points.
- k. The Department of Health reserves the right to negotiate prices.
- l. The Department of Health reserves the right not to award a line item.
