

# Your Guide to the Electronic Vaccination Data System (EVDS)

All healthcare workers need to register for their COVID-19 vaccination through the EVDS self-enrolment platform

## STEP 1

Go to

<https://vaccine.enroll.health.gov.za>

You can use your mobile phone, tablet, laptop or desktop computer

## STEP 2

Enter your South African ID number

## STEP 3

Enter your personal details

## STEP 4

Enter your employment and medical aid details (if applicable)

**No medical aid? No hassle!**

Vaccines are available for all healthcare workers.

## STEP 5

Select your primary location of work

## STEP 6

Confirm your acceptance and 'Terms and Conditions' and click 'Submit Registration'

Now you're all set to receive your vaccine!

# Remember, vaccines save lives!

If you are unable to register, go to your nearest vaccination site for assistance
