Health Deputy Minister embarks on Sexual Reproductive Health Campaign in KwaMaphumulo

Pretoria: The Deputy Minister Dr Sibongiseni Dhlomo will tomorrow, (Monday, 22 August) embark on Sexual Reproductive Health awareness campaign in KwaMaphumulo, KwaZulu-Natal.

The event is part of the Department of Health's ongoing programme targeting young people to raise awareness about the importance of access to health services by young people, especially sexual reproductive health services which include contraceptives which are key to prevent sexually transmitted infections, unplanned pregnancies and unsafe termination of pregnancy.

Deputy Minister Dhlomo will be joined by KwaZulu-Natal MEC for Health, Ms Nomagugu Simelan; local government leaders and youth ambassadors, and interact with adolescent young women and men about the benefits of regular health screening, testing, prevention and treatment adherence.

A variety of health services, including COVID-19 vaccination and child immunisation, will be provided onsite.

Members of the media are invited to attend the event as follows:

Date: Monday, 22 August 2022
Time: 09h00
Venue: Kwa Maphumulo Town Hall, ILembe District KwaZulu-Natal Province
