

1. Please provide 3-year average stats for injuries and diseases reported to COID.

Maximum of 2 injuries per annum reported

2. Please assist with the name of the X-ray machine at MBOD, year and model

**Digital X-Ray Unit installed in 2020**

**Make:** Control-X

**X-ray Unit Model:** VZW2556RC2-64

**X-ray Unit Serial:** CPD36828K20

**Generator Model:** CMP200 X-RAY GENERATOR 65KW

3. Please confirm if you will need a quote for Hygiene Survey (HIRA) for the 3<sup>rd</sup> year.

Occupational Hygiene survey (assessment) quote only for Year 1 (baseline) and not for other years – see point 6.

4. For Absenteeism Management we will need HR to upload employee data to our SFTP Server, will that be a problem?

For absenteeism management, employee data base will be loaded on SFTP server subject to POPIA guidelines and Non-disclosure agreements and further discussion with Human Resources directorate within NDOH

5. Please confirm if the Hygiene service should be priced as an hourly rate (transport excluded)

Occupational hygiene as part of professional team should be priced on hourly rate (transport excluded) but professional services of occupational team will be needed either in Pretoria or Johannesburg. This is separate from the occupational hygiene baseline survey. Can be in separate addendum as the professional services will be called upon when needed.

6. Should the HIRA services cost be costed for separately as an addendum?

HIRA base line survey to be costed separately but be part of overall bid price.

7. Should the Occupational Therapist cost be costed for separately as an addendum?

Occupational therapy professional services costed hourly. Can be in separate addendum as will be called upon when needed.

8. Telehealth Psychosocial service costed hourly and can be in separate addendum as will be called upon when needed.
