NDoHF 01-2026/2027: The appointment of a service provider to complete the construction of EThandakukhanya Community Healthcare Centre.

QUESTION	DATE	ANSWER
<p>It was mentioned during the site briefing that the BOQ would be uploaded in Excel format. I have checked the portal again this morning; however, I have not been able to locate the Excel version.</p> <p>Could you kindly advise when the Excel BOQ will be made available, or alternatively share it with us at your earliest convenience, as it will assist us in preparing our submission accurately and efficiently.</p> <p>Thank you for your assistance. I look forward to your response</p>		
<p>GOOD DAY</p> <p>I would like to request clarification regarding the above mentioned Tender No, specifically under the Functionality Evaluation Criteria relating to the Track Record and Experience of the Bidder.</p> <p>The tender document states that the Bid Evaluation Committee will evaluate the bidder's experience based on evidence provided through appointment/award letters, practical completion certificates, and reference letters.</p> <p>Could you please confirm whether only Practical Completion Certificates are acceptable for this requirement, or whether Completion Certificates are also acceptable?</p> <p>Furthermore, for certain projects, we only have Completion Certificates available. In such cases, would it be acceptable to submit the Completion Certificate as proof of project completion and experience?</p> <p>Your guidance on this matter will be highly appreciated.</p> <p>Thank you for your assistance, and I look forward to your response.</p> <p>Kind regards</p>	<p>02 June 2026</p>	<p>Dear Bidder,</p> <p>Thank you for your enquiry.</p> <p>The National Department of Health confirms that a Valid Completion Certificate will be accepted as proof of project completion for purposes of the functionality evaluation.</p> <p>Where a Practical Completion Certificate is not available, bidders may submit a Valid Completion Certificate as supporting evidence of the completed project."</p>
