

5.2.2 Technical mandatory requirements

- a) Proof of company registration, restricted to RSA-registered entities only.
- b) Signed detailed CVs of all proposed key personnel that will be assigned to the project once the bid is awarded.
- c) Submit certified (certified documents must not be older than 6 months) proof of qualifications for all proposed key personnel. It is the applicant's responsibility to have foreign qualifications evaluated by the South African Qualifications Authority (SAQA), and proof of a certified SAQA verification certificate must be attached.
- d) The bidder must provide health professional personnel responsible for EMR training who are registered at their relevant professional bodies to practice in South Africa.
The bidder must submit a copy of a valid certificate and/or professional membership card indicating clearly:
 - The regulator or professional body's name.
- ~~e) In addition, and as a minimum, the training personnel must be certified in Adult Education and Training (AET).~~
- f) Compulsory attendance at a briefing session on a date, which will be provided before the closing of the tender process. This briefing session will be virtual.
